

Sentry Rehearsal Week April 26-29

All rehearsals are mandatory. Dancers are to arrive at Sentry Theatre prior (we recommend 10-15 minutes) to the scheduled rehearsal time. We do realize that the 4:00 start time may be early for some families but please do your best to make arrangements now so students can have the full benefit of rehearsal. Many families have said that doing their dancer's hair when it is wet in the morning, holds well for rehearsal after school.
